2013

- Jerzy Zajac
  Calorimetry at the Solid-Liquid Interface, 197-270
  Calorimetry and thermal methods in catalysis,
  Éditions A. Auroux, , 2013.

2007

- J. Zajac
  Surfactant adsorption and aggregation at the solid - aqueous solution interface, the current view and some applications, 37-44
  Conference Proceedings Surfactants and Dispersed Systems in Theory and Practice,

- Radhouane Chaghi, Louis-Charles De Menorval, Clarence Charnay and J. Zajac
  A combined 1H NMR and calorimetry study of phenol solubilisation in cationic surfactant micelles, 275-278
  Conference Proceedings Surfactants and Dispersed Systems in Theory and Practice,
